- 5.2. In the event that the Purchaser becomes party to any claim or action that the normal use or possession of the Products within the Territory infringes the Intellectual Property Rights of a third party ("IPR Claim"), YASA Limited shall be entitled at its own expense and option either to:

- 6.2. Except as otherwise agreed, the price for the Product shall be YASA Limited's price for the Product at the date of YASA Limited's Acknowledgement of Order or, in the event of YASA Limited requiring payment before Delivery of the Product, the date upon which such payment is requested.
- 6.3. YASA Limited reserves the right to increase the price of any Product, on written notice to the Purchaser, to reflect any additional costs and expenses to YASA Limited in manufacturing, assembling or delivering the Product. Such price increase shall only apply to orders received after the date on which YASA Limited provides the Purchaser with such written notice pursuant to this Clause 6.3.

7. PAYMENT

- 7.1. Payment for the Product and any other amount payable by the Purchaser shall be in pounds sterling (or such other currency as YASA Limited shall direct in its sole discretion) and an amount between 50% and 100% of the total amount payable as agreed with YASA Limited shall be due from the Purchaser in advance of Delivery.  - 8.2.1. the Purchaser having paid to YASA Limited all sums (including any default interest and/or any applicable taxes) due from it to YASA Limited under these Conditions and all other contracts made at any time between YASA Limited and the Purchaser whether or not the same are immediately payable; or
 - 8.2.2. YASA Limited serving notice in writing specifying that the title in the Product has passed.
- 8.3. YASA Limited may recover any Product in respect of which title has not passed to the Purchaser if the Purchaser, being a company, does anything or fails to do anything which could entitle a creditor to appoint a receiver to take possession of any of the Purchaser's assets; or which would entitle any person (including the Purchaser itself) to present a valid petition for winding up the Purchaser or to propose an application for administration of or voluntary arrangements in relation to the Purchaser under the Insolvency Act 1986; or if a resolution is passed for the winding up of the Purchaser (otherwise than for the purpose of amalgamation or reconstruction while solvent); or if the Purchaser ceases or threatens to carry on business by reason of insolvency or approaching insolvency; or otherwise if anything analogous under the law of any jurisdiction occurs to the Purchaser; or if distress or execution is levied against the Purchaser's assets; or if a judgement against the Purchaser remains unsatisfied for more than seven days or if the Purchaser fails to pay its debts as and when they fall due.
- 8.4. Until title to the Product has passed to the Purchaser under these Conditions it shall possess the Product as fiduciary agent and Bailee of YASA Limited. If YASA Limited so requires, the Purchaser shall store the Product separately from other goods and shall ensure that they are clearly identifiable as belonging to YASA Limited. During such time as the Purchaser possesses any Product with YASA Limited's consent, the Purchaser may in the normal course of its business sell or hire the goods as principal and without committing YASA Limited for any liability to the person dealing with the Purchaser.
- 8.5. The Purchaser irrevocably licenses YASA Limited, its officers, employees and agents to enter upon any premises of the Purchaser, with or without vehicles for the purpose either of satisfying itself that Clause 8.4 above is being complied with by the Purchaser or of recovering any Product in respect of which title has not passed to the Purchaser.

Unless agreed otherwise, Delivery of the Product shall be deemed to take place when YASA Limited notifies the Purchaser that the Product is available for collection from the Premises and the Purchaser shall arrange for collection of the Products within five Working Days of receipt of such notice.
- 9.2. If five Working Days after notification pursuant to Clause 9.1, the Purchaser refuses and/or fails to collect any Product(s), YASA Limited shall be entitled to arrange storage of the Product(s) either at the Premises or elsewhere on the Purchaser's behalf and at the Purchaser's risk and expense.

- 9.4. YASA Limited shall not be liable in any way for any direct or indirect loss, damage or expense (including without limitation loss of any profits, loss of business or turnover, or consequential loss and all liability to third parties) suffered or incurred by the Purchaser as a consequence of any delay in any Delivery.
- 9.5. YASA Limited shall be entitled to deliver instalments in any sequence. No default or failure by YASA Limited to deliver one or more instalments shall entitle the Purchaser to repudiate these Conditions to which the instalments relates and/or to claim damages in respect thereof. Each instalment shall be a separate contract provided that Delivery for instalments may be withheld until the price for the Product comprised in earlier instalments has been fully paid.
- 9.6. The Purchaser shall notify YASA Limited that the Product is accepted in accordance with the Specification within ten Working Days of Delivery. If the Purchaser has not notified YASA Limited in accordance with this Clause 9.6 then acceptance of the Product shall be deemed to have occurred.
- 9.7. The Purchaser shall comply with all export control laws and regulations applicable in the Territory and shall not export the Products or any part thereof or any technical data without obtaining all of the applicable licences, authorisations and regulatory approvals. The Purchaser shall be solely responsible at its cost for obtaining such licences and authorisations and

shall indemnify YASA Limited for any costs, damages or expenses which YASA Limited incurs as a result of the Purchaser's failure to obtain the relevant licences and approvals.

- 9.8. The quantity of any consignment of Products as recorded by YASA Limited at Delivery shall be conclusive evidence of the quantity received by the Purchaser unless the Purchaser can provide conclusive evidence proving the contrary.

10. WARRANTY

Subject to Clauses 10.4 and 10.5, in the event of any breach by YASA Limited of the warranties specified in Clause 10.1 of these Conditions then the Purchaser's sole and exclusive remedy and YASA Limited's entire liability will be for YASA Limited to use its commercially reasonable endeavours to, at YASA Limited's discretion, repair and/or replace the Product in question or in the case of services, re-perform the services at its own cost. The Purchaser shall have no rights in respect of any Intellectual Property Rights belonging to YASA Limited (or its licensors) nor any goodwill associated therein.
- 4.2. The Purchaser shall not copy, reverse engineer, dismantle, modify, or enhance the Product.

5. INDEMNITY

- 5.1. The Purchaser shall be liable for and shall indemnify YASA Limited in full against any claim or proceedings, expense, fees (including legal fees), liability and/or other losses whether arising directly or indirectly where the Purchaser is in breach of these Conditions so as to constitute an infringement of any Intellectual Property Rights belonging to YASA Limited.
- 5.2. In the event that the Purchaser becomes party to any claim or action that the normal use or possession of the Products within the Territory infringes the Intellectual Property Rights of a third party ("IPR Claim"), YASA Limited shall be entitled at its own expense and option either to:
 - 5.2.1 procure the right for Purchaser to continue to use or sell the Product; or
 - 5.2.2 modify the Product (without materially detracting from its functionality) so as to avoid the IPR Claim; or
 - 5.2.3 replace the Product with non-infringing substitutes provided that such substitutes do not entail a material reduction in functionality.
- 5.3. If YASA Limited in its reasonable judgement is not able to exercise any of the options set out in Clause 5.2 above then Purchaser shall return the Product(s) which are the subject of the IPR Claim and YASA Limited shall refund the Price paid in respect of such Product(s). Clauses 5.2 and 5.3 state YASA Limited's entire liability and Purchaser's sole remedy with regard to an IPR Claim.

6. PRICE

- 6.1. Except as otherwise agreed, the quoted price for the Product is exclusive of any Value Added Tax or other applicable sales tax, levy or duty required by law. For the avoidance of doubt, the Purchaser shall pay all charges, duties and/or other taxes required by law and/or which are assessed against the Product in any relevant jurisdictions.
- 6.2. Except as otherwise agreed, the price for the Product shall be YASA Limited's price for the Product at the date of YASA Limited's Acknowledgement of Order or, in the event of YASA Limited requiring payment before Delivery of the Product, the date upon which such payment is requested.
- 6.3. YASA Limited reserves the right to increase the price of any Product, on written notice to the Purchaser, to reflect any additional costs and expenses to YASA Limited in manufacturing, assembling or delivering the Product. Such price increase shall only apply to orders received after the date on which YASA Limited provides the Purchaser with such written notice pursuant to this Clause 6.3.

7. PAYMENT

- 7.1. Payment for the Product and any other amount payable by the Purchaser shall be in pounds sterling (or such other currency as YASA Limited shall direct in its sole discretion) and an amount between 50% and 100% of the total amount payable as agreed with YASA Limited shall be due from the Purchaser in advance of Delivery. Payment for other support or services will be phased in accordance with milestones in a written agreement with the Purchaser. - 7.4. The Purchaser shall if requested by YASA Limited secure payment by way of a confirmed stand-by letter of credit within 30 days of the date of the Purchaser's order or of YASA Limited's written request (whichever shall be the later). If the Purchaser

fails to open the stand-by letter of credit by such date YASA Limited shall be entitled to terminate the Purchaser's order forthwith without liability or YASA Limited may be entitled to claim interest in accordance with Clause 7.1 above.

8. RESERVATION OF TITLE AND RISK

- 8.1. The risk in the Product shall remain with YASA Limited until Delivery or payment for the Product by the Purchaser in full, whichever is the earlier, at which time the risk in the Product shall be transferred to the Purchaser.
- 8.2. Title to the Product shall only pass to the Purchaser upon the happening of any one of the following events: -
 - 8.2.1 the Purchaser having paid to YASA Limited all sums (including any default interest and/or any applicable taxes) due from it to YASA Limited under these Conditions and all other contracts made at any time between YASA Limited and the Purchaser whether or not the same are immediately payable; or
 - 8.2.2 YASA Limited serving notice in writing specifying that the title in the Product has passed.
- 8.3. YASA Limited may recover any Product in respect of which title has not passed to the Purchaser if the Purchaser, being a company, does anything or fails to do anything which could entitle a creditor to appoint a receiver to take possession of any of the Purchaser's assets; or which would entitle any person (including the Purchaser itself) to present a valid petition for winding up the Purchaser or to propose an application for administration or voluntary arrangements in relation to the Purchaser under the Insolvency Act 1986; or if a resolution is passed for the winding up of the Purchaser (otherwise than for the purpose of amalgamation or reconstruction while solvent); or if the Purchaser ceases or threatens to carry on business by reason of insolvency or approaching insolvency; or otherwise if anything analogous under the law of any jurisdiction occurs to the Purchaser; or if distress or execution is levied against the Purchaser's assets; or if a judgement against the Purchaser remains unsatisfied for more than seven days or if the Purchaser fails to pay its debts as and when they fall due.
- 8.4. Until title to the Product has passed to the Purchaser under these Conditions it shall possess the Product as fiduciary agent and Bailee of YASA Limited. If YASA Limited so requires, the Purchaser shall store the Product separately from other goods and shall ensure that they are clearly identifiable as belonging to YASA Limited. During such time as the Purchaser possesses any Product with YASA Limited's consent, the Purchaser may in the normal course of its business sell or hire the goods as principal and without committing YASA Limited for any liability to the person dealing with the Purchaser.
- 8.5. The Purchaser irrevocably licenses YASA Limited, its officers, employees and agents to enter upon any premises of the Purchaser, with or without vehicles for the purpose either of satisfying itself that Clause 8.4 above is being complied with by the Purchaser or of recovering any Product in respect of which title has not passed to the Purchaser.

9. DELIVERY

- 9.1. Unless agreed otherwise, Delivery of the Product shall be deemed to take place when YASA Limited notifies the Purchaser that the Product is available for collection from the Premises and the Purchaser shall arrange for collection of the Products within five Working Days of receipt of such notice.
- 9.2. If five Working Days after notification pursuant to Clause 9.1, the Purchaser refuses and/or fails to collect any Product(s), YASA Limited shall be entitled to arrange storage of the Product(s) either at the Premises or elsewhere on the Purchaser's behalf and at the Purchaser's risk and expense.
- 9.3. Any dates specified by YASA Limited for delivery of the Products are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery will be within a reasonable time.
- 9.4. YASA Limited shall not be liable in any way for any direct or indirect loss, damage or expense (including without limitation loss of any profits, loss of business or turnover, or consequential loss and all liability to third parties) suffered or incurred by the Purchaser as a consequence of any delay in any Delivery.
- 9.5. YASA Limited shall be entitled to deliver instalments in any sequence. No default or failure by YASA Limited to deliver one or more instalments shall entitle the Purchaser to repudiate these Conditions to which the instalments relates and/or to claim damages in respect thereof. Each instalment shall be a separate contract provided that Delivery for instalments may be withheld until the price for the Product comprised in earlier instalments has been fully paid.
- 9.6. The Purchaser shall notify YASA Limited that the Product is accepted in accordance with the Specification within ten Working Days of Delivery. If the Purchaser has not notified YASA Limited in accordance with this Clause 9.6 then acceptance of the Product shall be deemed to have occurred.
- 9.7. The Purchaser shall comply with all export control laws and regulations applicable in the Territory and shall not export the Products or any part thereof or any technical data without obtaining all of the applicable licences, authorisations and regulatory approvals. The Purchaser shall be solely responsible at its cost for obtaining such licences and authorisations and shall indemnify YASA Limited for any costs, damages or expenses which YASA Limited incurs as a result of the Purchaser's failure to obtain the relevant licences and approvals.
- 9.8. The quantity of any consignment of Products as recorded by YASA Limited at Delivery shall be conclusive evidence of the quantity received by the Purchaser unless the Purchaser can provide conclusive evidence proving the contrary.

10. WARRANTY

- 10.1. Subject to the provisions of this Clause 10, YASA Limited hereby warrants to the Purchaser that the YASA Electric Motor and YASA Controller shall be free from any material defects in materials and workmanship for a period of 12 months from the date of manufacture.

 - 5.3.3. replace the Deliverable with non-infringing substitutes provided that such substitutes do not entail a material reduction in functionality.
- 5.4. If YASA in its reasonable judgement is not able to exercise any of the options set out in Clause 5.3 above then Customer shall return the Deliverable(s) which are the subject of the IPR Claim and YASA shall refund the price paid in respect of such Deliverable(s).

- 6.1. In each case the SoW may set out the charges for the Deliverables and Services to be supplied in accordance with that SoW. In that case, the charges will be due on the dates (or on the happening of the events) specified in that SoW.
- 6.2. If (a) the SoW does not specify the charges for a Service or Deliverable, or (b) these Terms otherwise say that YASA may charge for anything on a time and materials basis, then YASA will charge for the relevant Services or Deliverables on a time and materials basis at YASA'Ss standard day and hourly rates subsisting at the time the relevant Services are provided.
- 6.3. Unless otherwise specified in the relevant SoW, charges will be due in arrears at the end of every calendar month for everything done in relation to the Services and Deliverables to be supplied in accordance with the relevant SoW by YASA or on YASA'Ss behalf during that month. YASA may invoice the Customer for the charges as soon as they become due. The Customer must pay the invoices within 30 days of receiving them.
- 6.4. The amounts specified in each SoW do not include VAT or any other taxes on supplies and the Customer will pay these to YASA as well as the amounts concerned. The Customer shall pay all charges, customs duties and/or other taxes required by law and/or which are assessed against the Deliverable in any relevant jurisdictions.
- 6.5. Payment shall be in pounds sterling (or such other currency as a SoW may specify). Interest on unpaid invoices will run from day to day at the rate of 4% per annum above the base rate of the Bank of England from the date when payment is due until the date of payment in full by the Customer and shall accrue after as well as before any judgement. The Customer shall reimburse YASA all costs and expenses (including legal costs) incurred in the collection of any overdue payments.
- 6.6. No payment shall be deemed to have been received until YASA has received cleared funds.
- 6.7. Payment of all sums provided for under these Terms shall be made in full and free from any deductions, rights of set-off, counterclaims or liens.

7. RESERVATION OF TITLE AND RISK

- 7.1. The risk in Deliverables shall remain with YASA until Delivery or payment for the Deliverables in question by the Customer in full, whichever is the earlier, at which time the risk in the Deliverables shall be transferred to the Customer.
- 7.2. Title to Deliverables shall only pass to the Customer upon the happening of any one of the following events: -
- 7.2.1. the Customer having paid to YASA all sums (including any default interest and/or any applicable taxes) due from it to YASA under these Terms and all other contracts made at any time between YASA and the Customer whether or not the same are immediately payable; or
 - 7.2.2. YASA serving notice in writing specifying that the title in the Deliverable has passed.
- 7.3. YASA may recover any Deliverables in respect of which title has not passed to the Customer if the Customer, being a company, does anything or fails to do anything which could entitle a creditor to appoint a receiver to take possession of any of the Customer's assets; or which would entitle any person (including the Customer itself) to present a valid petition for winding up the Customer or to propose an application for administration of or voluntary arrangements in relation to the Customer under the Insolvency Act 1986; or if a resolution is passed for the winding up of the Customer (otherwise than for the purpose of amalgamation or reconstruction while solvent); or if the Customer ceases or threatens to carry on business by reason of insolvency or approaching insolvency; or otherwise if anything analogous under the law of any jurisdiction occurs to the Customer; or if distress or execution is levied against the Customer's assets; or if a judgement against the Customer remains unsatisfied for more than seven days or if the Customer fails to pay its debts as and when they fall due.

7.4. Until title to Deliverables has passed to the Customer under these Terms it shall possess the Deliverables as fiduciary agent and bailee of YASA. If YASA so requires, the Customer shall store the Deliverables separately from other goods and shall ensure that they are clearly identifiable as belonging to YASA. During such time as the Customer possesses any Deliverable with YASA'S consent, the Customer may in the normal course of its business sell or hire the goods as principal and without committing YASA for any liability to the person dealing with the Customer.

7.5. The Customer irrevocably licenses YASA, its officers, employees and agents to enter upon any premises of the Customer, with or without vehicles for the purpose either of satisfying itself that Clause 7.4 above is being complied with by the Customer or of recovering any Deliverable in respect of which title has not passed to the Customer.

8. DELIVERY

8.1. Unless agreed otherwise, Delivery of a Deliverable shall be deemed to take place when YASA notifies the Customer that the Deliverable is available for collection from the Premises and the Customer shall arrange for collection of the Deliverables within five Working Days of receipt of such notice.

8.2. If five Working Days after notification pursuant to Clause 8.1, the Customer refuses and/or fails to collect any Deliverable(s), YASA shall be entitled to arrange storage of the Deliverable(s) either at the Premises or elsewhere on the Customer's behalf and at the Customer's risk and expense.

8.3. Any dates specified by YASA for delivery of the Deliverables are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery will be within a reasonable time.

8.4. Subject to clause 10.1, YASA shall not be liable in any way for any direct or indirect loss, damage or expense (including without limitation loss of any profits, loss of business or turnover, or consequential loss and all liability to third parties) suffered or incurred by the Customer as a consequence of any delay in any Delivery.

8.5. Should any project stipulated in a SoW be delayed beyond the date for final delivery (as set out in the relevant SoW) wholly or mainly due to any cause attributable to (i) YASA, the effective term for the project shall be extended for a time period to be agreed to by the parties and YASA shall not be entitled to further payment for Services beyond the agreed delivery date or (ii) the Purchaser, the effective term for the project shall be extended for a time period to be agreed to by the parties, and the Purchaser shall pay for the actual out-of-pocket costs incurred by YASA to complete the project at YASA'S standard day and hourly rates as set out in the relevant SoW or (if none are set out) YASA'S standard rates from time to time for time spent to complete the Project.

8.6. YASA shall be entitled to deliver instalments in any sequence. No default or failure by YASA to deliver one or more instalments shall entitle the Customer to repudiate these Terms to which the instalments relate and/or to claim damages in respect thereof. Each instalment shall be a separate contract provided that Delivery for instalments may be withheld until the price for the Deliverable comprised in earlier instalments has been fully paid.

8.7. The Customer shall comply with all export control laws and regulations applicable in the Territory and shall not export the Deliverables or any part thereof or any technical data without obtaining all of the applicable licences, authorisations and regulatory approvals. The Customer shall be solely responsible at its cost for obtaining such licences and authorisations and shall indemnify YASA for any costs, damages or expenses which YASA incurs as a result of the Customer's failure to obtain the relevant licences and approvals.

9. WARRANTY

9.1. Subject to the provisions of this Clause 9, YASA hereby warrants to the Customer that the Services will be provided with reasonable care and skill and Deliverables shall on Delivery be free from any material defects in materials and workmanship of which YASA should reasonably have been aware at the time the relevant Deliverable was supplied to the Customer. In respect of the Motor Controller, YASA will endeavour to transfer to the Customer the benefit of any warranty or guarantee given by the manufacturer of the Motor Controller. The Customer recognises that the objective of the Services is in part to assess the feasibility of producing a motor

that suits the Customer's requirements and (where required by a SoW) to make and test sample electric motors as a part of that assessment. Accordingly, YASA does not warrant or provide any other kind of assurance that Deliverables will function in accordance with any specification or that they will meet the Customer's requirements.

9.2. If YASA receives written notice from the Customer of any breach by YASA of the warranty contained in Clause 9.1 YASA shall, at its own expense and as soon as it is reasonably able, investigate that breach following receipt of such notice.

9.3. Subject to Clauses 9.4 and 9.5, in the event of any breach by YASA of the warranties specified in Clause 9.1 of these Terms then YASA will use its reasonable endeavours to, at YASA'Ss discretion, repair and/or replace the Deliverable in question or in the case of Services, re-perform the Services at its own cost. Save that if the Customer seeks repair or replacement of Deliverables under this Clause 9.3 but YASA or the manufacturer of the Motor Controller no longer manufactures that Deliverable, YASA shall be entitled to replace the Deliverables with products of an equivalent standard and quality or (at its discretion) refund the price paid for that Deliverable(s). Where YASA is able to repair or replace the relevant Deliverable, or to re-perform the relevant Services in accordance with this clause 9.3, that will (subject to clause 10.1) be the Customer's exclusive remedy and YASA'Ss sole liability in respect of the breach in question.

9.4. YASA shall be under no liability in respect of a breach of clause 9.1 arising from:

- 9.4.1. interference, tampering or work performed on a Deliverable;
- 9.4.2. misuse, wilful damage, abnormal working conditions, failure to follow YASA'S or the manufacturer of the Motor Controller's instructions (whether oral or in writing) or negligence;
- 9.4.3. accidental damage or any other damage not consistent with fair wear and tear;

9.5. YASA shall not be liable for a breach of the warranties set out in Clause 9.1 unless:

- 9.5.1. the Customer gives notice of the breach to YASA within 7 Working Days of the time when the Customer discovers or ought to have discovered the breach; and
- 9.5.2. YASA is given a reasonable opportunity after receiving the notice of examining such Deliverables or assessing the results of Services (as appropriate) and, in the case of allegedly defective Deliverables, the Customer (if asked to do so under YASA Returned Materials Authorisation process) returns such Deliverables to YASA'S place of business for the examination to take place there at the sole expense of YASA.

9.6. The warranties set forth in this Clause 9 are expressly subject to Clause 10.

9.7. Unless notified otherwise and save for the warranty in Clause 9.1, any commercial-off-the-shelf components supplied with the Motor Controller will be provided with standard manufacturer's warranty.

9.8. THE LIMITED WARRANTY SET FORTH IN THIS CLAUSE 9 SHALL BE IN LIEU OF, AND SUBJECT TO CLAUSE 10.1, YASA SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTY, EXPRESS OR IMPLIED, AND WHETHER IMPLIED BY STATUTE, COMMON LAW, COURSE OF DEALING OR OTHERWISE INCLUDING ANY IMPLIED WARRANTY, CONDITION OR OTHER TERM OF SATISFACTORY QUALITY OR FITNESS FOR PURPOSE. The foregoing limited warranty is personal to the Customer and any sale or other transfer of Deliverables by Customer shall void such limited warranty.

10. **LIMITATION OF LIABILITY**

10.1. YASA does not exclude or limit its liability to the Customer:

- 10.1.1. for death or personal injury caused by the negligence of YASA, its employees, agents or sub-contractors;

- 10.1.2. under part 1 of the Consumer Protection Act 1987;
- 10.1.3. due to any breach by YASA of implied condition as to title or warranty as to quiet possession; or
- 10.1.4. for fraud (including without limit fraudulent misrepresentation);

10.2. Subject to clause 10.1, the liability of YASA in respect of direct physical loss or damage to the Customer's tangible property (excluding the Deliverables) caused by the negligence of YASA or its employees agents or sub-contractors shall not exceed in aggregate one million pounds sterling (£1,000,000).

10.3. Except as stated in Clauses 10.1 and 10.2 above, YASA's maximum aggregate liability for all claims made under or in connection these Terms, howsoever arising, including (without limitation) due to negligence, breach of contract, misrepresentation (excluding fraudulent misrepresentation) or for any other reason, shall be limited in respect of each Contract, to 120% of the total fees payable by the Customer to YASA in relation to the relevant Contract.

10.4. Subject to Clause 10.1 and whether or not YASA has been advised of the possibility of such loss or damage YASA shall not be liable to the Customer, whether such losses or damages arise due to negligence, breach of contract, misrepresentation (excluding fraudulent misrepresentation) or for any other reason, in respect of the following (and for sub-clauses a – d inclusive whether such losses are direct or indirect and/or consequential):

- a. loss of profits;
- b. loss of anticipated savings;
- c. loss of revenue;
- d. loss of business; and/or
- e. any type of indirect or consequential loss or damage howsoever caused.

10.5. The Customer acknowledges that the fees payable under each Contract are based on the assumption that the liability of YASA and the Customer is as set out herein. The Customer is advised to insure against any risk not accepted by YASA.

11. CONFIDENTIALITY

11.1. Each of YASA and the Customer shall at all times:

- 11.1.1. use its best endeavours to keep all Confidential Information confidential and accordingly, not disclose any Confidential Information to any other person; and
- 11.1.2. not use any Confidential Information for any purpose other than the performance of its obligations under these Terms.

11.2. Confidential Information may be disclosed by either Party:

- 11.2.1. to the extent required by law; or
- 11.2.2. where it is public knowledge at the date of disclosure or can be shown by the disclosing party to have been known prior to such disclosure.

11.3. The Customer acknowledges that the Deliverables contain the proprietary, confidential and trade secret information of YASA.

11.4. Each party shall only divulge Confidential Information of the other to those of its employees, agents or sub- contractors who are directly involved in the performance of these Terms and shall take all reasonable precautions to ensure that such employees, agents of sub-contractors are aware of and comply with these obligations as to confidentiality.

11.5. The provisions of this Clause 11 shall remain in full force and effect for period of ten (10) years from the date of the last Contract agreed between the parties.

12. TERMINATION AND CANCELLATION

12.1. Each party shall be entitled to forthwith terminate any Contract by written notice if the other party fails to pay any invoice in accordance with these Terms, or the other party commits any continuing or material breach of these Terms; or an Insolvency Event occurs in respect of the other party.

12.2. Unless a SoW states otherwise, the Customer may terminate a Contract on giving not less than thirty (30) days prior written notice. On such termination the Customer shall immediately pay YASA:

12.2.1. all outstanding invoices; and

12.2.2. any fees and costs incurred by YASA in accordance with any Contract and these Terms (which YASA may invoice at any time following notice of termination by the Customer).

12.3. Unless a SoW states otherwise, where YASA terminates any Contract other than in accordance with Clause 12.1, YASA shall refund unused prepaid fees for unused Services upon termination.

13. FORCE MAJEURE

Except for the payment of the price by the Customer, neither party shall be liable to the other for any delay or non-performance of its obligations under these Terms arising from any cause or causes beyond its reasonable control including, without limitation, any of the following: act of God, governmental act, delay or failure of any supplier, sub-contractor or carrier, war, fire, flood, explosion or civil commotion.

14. MISCELLANEOUS

14.1. Neither party may assign, novate, sub-licence or sub-contract or in any way dispose of its rights or obligations under these Terms to any third party without the prior consent of the other party, provided that YASA may use external suppliers for the supply of components of Deliverables and manufacture of Deliverables.

14.2. Any notice required to be served pursuant to these Terms shall be served on YASA at the Premises or such other address as YASA may from time to time notify to the Customer by first class registered post, registered air mail or by e-mail, telex or facsimile. Any such notice served by post shall be deemed to have been served in the case of a destination in the UK 2 days after the date of dispatch and 7 days after the date of despatch to any other destination. In the case of service by telex or facsimile when the addressee's machine acknowledges receipt thereof and in the case of email, when the email is available to be read in the recipient's inbox.

14.4. Save in respect of fraudulent misrepresentations, these Terms set forth and shall constitute the entire agreement between the parties and shall supersede any and all previous agreements or understandings between the parties relating to their subject-matter.

- 14.5. No term of these Terms is intended to confer a benefit on, or to be enforceable by, any person who is not a party to these Terms.
- 14.6. Any term of these Terms which is judged to be void or unenforceable shall to the extent of such invalidity be severable and the continuation in full force and effect of the remainder of the provisions will not be prejudiced.
- 14.7. Failure by either party at any time to enforce any of these Terms shall not be construed as a waiver by such party of such Terms or any other Terms and such party shall be entitled to enforce any such breach at any time.
- 14.8. These Terms and any Contract formed between the Parties pursuant to these Terms shall be governed and interpreted in accordance with the laws of England and, subject to clauses 14.8 and 14.9, shall be subject to the jurisdiction of the English Courts.
- 14.9. **Dispute Resolution:** The parties agree that they shall attempt to resolve any dispute regarding any right, obligation, duty, or liability arising out of the provisions of a Contract and/or these Terms through informal discussions or negotiations prior to resorting to formal dispute resolution. If, at any time following the commencement of any such discussions or negotiations, either party determines such discussions or negotiations are not likely to result in a reasonable resolution of the dispute, it may send to the other party a written statement of the issues or problems being discussed or negotiated ("Dispute Statement"). If the dispute has not been resolved within sixty (60) days after the mailing of the Dispute Statement, either party shall have the right to serve a written demand for arbitration upon the other and thereby commence binding arbitration in accordance with clause 14.9.
- 14.10. Any dispute arising out of or in connection with these Terms and any Contract formed between the Parties pursuant to these Terms, including any question regarding their existence, validity or termination, shall be referred to and finally resolved by arbitration under the rules of the London Court of International Arbitration ("LCIA"), which rules are deemed to be incorporated by reference into this clause.
